### **Knitting Socks on Tiny Circular Needles – Technique Class**

Tired of fiddling with DPNs or Magic Loop? Two at a time just not for you? Here's your chance to learn how to knit socks from the toe up entirely on one adorable 9" circular needle! Included in this class are techniques on how to custom fit your socks using a provisional cast-on, folded toe, gusset and heel flap, and twisted rib cuff with a stretchy bind off. This is a 2-hour, three-part class. Intermediate knitting skills are needed for this class – sock knitting experience is preferred.

**PLEASE NOTE: This method is not recommended for knitters who suffer from arthritis, hand or joint immobility, or hand/arm injuries. Knitting socks on a 9" circular uses smaller tools and finer range of motion than most other techniques. Just like anything else, knitting on small needles for the first time can cause some strain on the hands and forearms until proper technique and familiarity are established.**

Materials: Fingering weight yarn, size 2US/2.75mm 9" circular needle or size to obtain gauge, waste yarn for provisional cast on, crochet hook

Instructor: Elizabeth "Sissy" Strube

Location: KnitKnit CDA – 311 E Coeur d'Alene Avenue, Ste E, Coeur d'Alene

Dates: Thursday, March 1, 8 & 15 from 6pm until 8pm

Cost: \$85 ... If you purchase your yarn and needles from KnitKnit the class cost is \$65. Pattern is included.
