### **Toph Hat – Project Class**

This has to be the MOST popular sample I have ever knit for KnitKnit CDA and now it is a class. This is a serious class that requires solid intermediate knitting skills. We will be using such techniques as provisional cast on, Kitchener stitch and German short rows ... you don’t need to know how to do those things but you need to be confident enough in your knitting skills to want to learn them. This pattern is brilliantly written, provides great tutorials and so much fun to knit. We greatly appreciate you purchasing your class supplies with KnitKnit, it helps us be able to offer you these types of fun and fresh classes.

Materials: See the pattern for all materials needed. Toph by Woolly Wormhead.
